IMPACT

Your Community Foundation of North Central West Virginia, Inc. (YCF) serves HARRISON, MARION, MONONGALIA, PRESTON and TAYLOR Counties.

YCF’s MISSION is to PROMOTE PHILANTHROPY and BUILD ENDOWMENT FUNDS to benefit our communities. Taking a COLLABORATIVE APPROACH, YCF works with public, private and nonprofit sectors to ADDRESS COMMUNITY CHALLENGES throughout North Central West Virginia.
TYPES OF FUNDS

YCF offers a variety of funds to meet both donor and community needs. Donors select the fund name and determine the fund purpose. The fund is invested by YCF, and the annual earnings may be awarded based on the donor’s wishes.

AGENCY ENDOWMENT FUNDS provide long term investments for local nonprofit organizations. Annual earnings support a nonprofit’s greatest needs while YCF assumes reporting and investing responsibilities.

DONOR ADVISED FUNDS allow donors to actively participate in the grant-making process as a flexible way to address charitable interests as they change over time. Donors can involve their children as advisors to perpetuate a family tradition of philanthropy.

DONOR DESIGNATED FUNDS enable donors, at the time the fund is established, to name one or more organizations to permanently benefit from the fund. YCF ensures the designated recipient(s) receive support as long as they remain in existence and continue to fulfill the intended charitable purpose.

FIELD OF INTEREST FUNDS allow the donor to address an area or issue of importance to the community. Fields of interest may include, but are not limited to, arts, environment, women’s services, education, youth services, religion, animals or health care. The endowment may grow through gifts from others who see them as a way to address their own charitable interests. Under the direction of the YCF Board of Directors, grant-making addresses the specific area identified by the fund.

SCHOLARSHIP FUNDS are established to assist students with education. Donors may determine eligibility requirements and can designate funds for any level of education. Distributions are made in accordance with YCF policies, providing funds to the specific institution in which the student is enrolled.

UNRESTRICTED FUNDS are donated without stipulations or conditions; they allow YCF maximum flexibility to respond creatively and effectively to our communities’ most compelling needs and opportunities. These funds are among the Foundation’s most important assets to address long-term community planning. Grant-making from a fund is at the discretion of the YCF Board of Directors within the bounds of the general charitable purposes of the Foundation.

NON-PERMANENT / PASS THROUGH FUNDS are established for unique broad-based charitable efforts in the community. The funds remain in cash to provide support for a designated period of time.

NEW FUNDS IN 2017

Individuals, businesses, and nonprofit agencies may establish endowment funds at YCF with a minimum of $10,000. Scholarship funds require $20,000. The minimum must be achieved within three years of the initial donation. The funds are invested and either restricted for a specific charitable purpose or unrestricted for the greatest needs in the community. For a full list of YCF funds visit our webpage at www.ycfwv.org.
